

Berta Wurta community cattle enterprise.

- business planning support and preparation of ABA funding submissions for two community based cattle enterprises in the Alcoota and Tempe Downs locality.

On the basis of the established and widely acknowledged successes of the Indigenous Pastoral Program negotiations were completed by years end for a Memorandum of Understanding to renew the program for 5 years commencing on 1 July 2006 and increase the number of participating agencies to six.

The NT Cattlemen's Association (NTCA) and Department of Employment and Workplace Relations (DEWR) will join the IPP with the original participants of ILC, CLC, NLC and Department of Primary Industry and Fisheries Management (DPIFM), formerly DBIRD, to increase the focus on indigenous employment outcomes both in respect to pastoral development on Aboriginal land and the wider NT pastoral industry.
