Tennant Creek Gold – Exploration agreement

Energy Metals – Exploration Agreement (minerals)

Genesis Resources – Exploration deed (minerals)

Additionally, negotiations with the NT Government regarding the “Future Acts” acquisition of a portion of the Pine Hill PPL for horticulture development.

The Government has indicated in principle support for the draft ILUA sent to them in August 2005 which will allow them to develop three further horticulture farms on Pine Hill Station in return for compensation package for the loss of native title on the farms.

The CLC is currently negotiating agreements with the NT Government in respect of land within the town boundaries of Tennant Creek and Ti Tree.

In addition the CLC and NT Government have agreed to explore the possibility of consenting to determination to be put before the Federal Court in the following applications:

- Tennant Creek (previously four applications, three consolidated into one application)
- Ooratippra PPL
- Newhaven
- Pine Hill PPL
- Kalkarindji
- Singleton

COMMUNITY LIVING AREAS (COMPENSATION FOR EXTINGUISHMENT OF RIGHTS)

The Tennant Creek and Pine Hill Applications require additional agreements with the NT Government regarding compensation for the extinguishment of Native Title

rights that arose both prior to and as a result of the determinations.

In both instances the parties are considering Indigenous land Use Agreements to express the terms of the compensation agreement which will include title to land for living areas.

PARKS AND RESERVES

In accordance with the agreement reached between the two Northern Territory Land Councils and the NT Government and set out in

the Parks and Reserves (Framework for the Future) Act 2005 the ILUAs set out in the following table have now been entered on the Register of ILUAs held by the National Native Title Tribunal.

Both the Commonwealth and NT Governments are to formally approve the grant of titles agreed to in the ILUAs.
